Education

VELLORE INSTITUTE OF TECHNOLOGY

B.TECH COMPUTER SCIENCE AND ENGINEERING (IOT) (CGPA: 9.36)

VELLORE, TN

2021 - 2025

O.P JINDAL SCHOOL

12TH CBSE (97%) – 10TH CBSE (97.4%)

RAIGARH, CG

2009 –2021

Experience

SOFTWARE DEVELOPER INTERN

CONSUMABLE AI

FEB' 25-PRESENT

REMOTE

- Developed **frontend features** and **built backend APIs** using **TypeScript, React.js, Django**, and **Python**.
- Optimized **backend CI/CD pipelines**, reducing deployment time by **40%** using **GitHub Actions & AWS EC2**.
- Automated **frontend CI/CD workflows**, increasing deployment efficiency by **50%** with **AWS CloudFront & S3**.
- Enhanced backend performance by **25%** using **Celery** for **asynchronous task execution**.

APP DEVELOPER

APP OPENER 

JUNE' 24-JAN' 25

REMOTE

- **Developed** and **optimised mobile applications** using **Flutter** within an **Agile scrum**, contributing to **95% on-time delivery** of project milestones showcasing **High performance** and **Discipline**.
- Implemented advanced testing and debugging techniques, improving app stability by **30%**.
- **Collaborated** within cross-functional teams to develop robust solutions.

IOT ENGINEER INTERN

JINDAL STEEL AND POWER

AUG' 23

RAIGARH, CG

- Gained foundational knowledge in IoT and its applications in industrial settings.
- Managed implementation, **testing** and **documentation** of software solutions on hardware.

Projects

TRAVLPOINT- TRAVEL PLANNER

OCT' 23-PRESENT

- Developed **60-70%** of the **Mobile App** using **Flutter**, focusing on creating a seamless and user-friendly experience.
- Led the end-to-end **Google Play Store deployment**, ensuring **100% compliance** with policies.
- Optimized app performance for a seamless user experience.

INVOX- EXPENSE TRACKING APP

MAY' 23- JULY' 23

- Developed a **Flutter**-based cross-platform app using **MVVM architecture**.
- Implemented **secure user authentication** and **encrypted data storage**.
- Designed reusable UI components for **40% improved code maintainability**.

Achievements

- Awarded **Merit Scholarship (2023-24)** for ranking among the **top 10** academic performers in the branch.
- Secured a **top 10 spot** in the **Smart India Hackathon** at the college level.

Clubs

APP DEVELOPER: ACM-VIT CHAPTER, CLUB SECRETARY: HEALTH CLUB, VIT

Technical Skills

- **Languages:** Java, Dart, SQL, TypeScript, Python
- **Frameworks and Tools:** Flutter, Git, Github, AWS, Docker, OOPS, React.js, Django, CI/CD, Celery
